Pictured Above: Athletes from Central, Genesee, Southern Tier and Special Olympics Ontario, Canada pose for a picture with members of the Morrisville State College Men's Hockey Team and the Hamilton College Women's Hockey Team after competing in the 2016 Super Regional Bocce Tournament at the Tocolana Club in Rome, NY on September 10th.

The 2016 fall competition season is winding down with only two local bowling events left on the schedule which will take place on Saturday, October 29th at King Pin Lanes in Rome and Lakeview Lanes in Fulton. The Central Region experienced a successful fall season with athletes participating in several events over the past few months which included Super Regional, Regional, and local competitions in golf, bocce, soccer, softball, cycling, bowling, and equestrian. The Region will now be transitioning over to our winter sports season in which some clubs will be starting up the first week in November.
