

# *Happy Holidays!*

Another year has passed and as you reflect on 2016, we are sure that Special Olympics will come to mind. Whether you are an athlete, coach, volunteer, or corporate sponsor, we hope that Special Olympics has provided you with joy and happiness this year.

Special Olympics has touched each and every one of us at some point in time. In this season of faith, hope, joy and giving, please know how much we appreciate each of you and how thankful we are for your continued support.

Best wishes for a joyous and safe holiday season.

Warm Regards,
