"I am a passionate runner with a dream of running the NYC Marathon. I've run 4 half marathons and countless NYRR races, but have struggled in choosing a charity to run the marathon for. Once I found out Special Olympics New York was a charity of choice, I was thrilled. Nothing is more of an honor to me than to represent this amazing organization!"

"I am so excited to run my first full marathon representing Special Olympics New York. My younger brother, Alex, has Down syndrome and has been fortunate enough to participate in the Special Olympics since he was just five years old. Special Olympics has helped my brother to gain confidence, create lasting friendships and excel in activities he might not have had the opportunity to participate in. Running has become an important part of my life over the years, and I cannot think of a better organization to represent as I complete my first marathon this November!"
