| 4:00 PM                       | Awards                              |

# Control Center

The EMS volunteers at Summer Games will provide 24 hour coverage for all athletes and coaches in attendance. You, as a coach, serve as the liaison between medical volunteers and your athletes. Special Olympics NY encourages you to handle any minor situation you can.

Medical volunteers are available at all competition, housing, and special event venues throughout games. If you are unable to immediately locate the medical volunteer, call the Control Center. Each venue will have radio communication to call for medical assistance.

# Emergency Protocol

Control Center: (315) 320-7820  
Ithaca College A&E Center, 2nd floor VIP Room

All Others: 911

Remember if you are using a cell phone from outside the area you must dial the area code. The area code for the area is **(607)**.

Emergencies should be reported IMMEDIATELY to the police, who will dispatch assistance as needed and you should then contact the Control Center.

## **The following types of incidents should be reported directly to the police:**

**Serious or Life Threatening Situations** - accidents, injuries or situations where participants have been seriously harmed. This includes transports to the hospital for all injuries, admissions to the hospital, etc.

**Potentially Dangerous or Hazardous Situations** - such as extreme cold, overcrowding, severe weather, etc. which requires immediate action and response to avoid serious damage or harm to participants.

**Report of Serious Crime** - including allegations of crimes involving force, sexual misconduct, controlled substances and/or those which threaten the health and safety of participants.
