# Control Center

The EMS volunteers at Fall Games will provide 24 hour coverage for all athletes and coaches in attendance. You, as a coach, serve as the liaison between medical volunteers and your athletes. Special Olympics NY encourages you to handle any minor situation you can.

Medical volunteers are available at all competition, housing, and special event venues throughout games. If you are unable to immediately locate the medical volunteer, call the Control Center. Each venue will have radio communication to call for medical assistance.

## Emergency Numbers:

Control Center: Phone: (315) 320-7820

Fax: (315) 320-7822

All Others: 911

### Local Hospital:

Glens Falls Hospital 100 Park St, Glens Falls, NY 12801

Remember if you are using a cell phone from outside the area you must dial the area code. The area code for the area is **(518)**.

Emergencies should be reported IMMEDIATELY to the police, who will dispatch assistance as needed and you should then contact the Control Center.

### **The following types of incidents should be reported directly to the police:**

**Serious or Life Threatening Situations** - accidents, injuries or situations where participants have been seriously harmed. This includes transports to the hospital for all injuries, admissions to the hospital, etc.

**Potentially Dangerous or Hazardous Situations** - such as extreme cold, overcrowding, severe weather, etc. which requires immediate action and response to avoid serious damage or harm to participants.

**Report of Serious Crime** - including allegations of crimes involving force, sexual misconduct, controlled substances and/or those which threaten the health and safety of participants.

# Emergency Protocols

Non-emergency incidents should be reported directly to the Control Center. Types of incidents that should be reported to the Control Center are as follows:

**Violations** - of SONY's policy on the strict prohibition of Alcohol by all people associated with any event which involves athletes in training or competition.

**Media Exposure** - any situation or complaint which may result in negative or controversial media exposure and will require implementation of SONY's Crisis Communication Plan. This would typically be linked to other incidents described in this section, but may also include disgruntled volunteers, spectators, parents, etc., any type of boycott/demonstration, etc. Please ALSO notify the police.

**Other Incidents/Situations** - which may not be of an emergency nature, but should be reported in the event an incident report needs to be filed, as well as for information/communication purposes should the situation arise again.

**Hotel Emergency Evacuations**—whether emergency or drills, when the alarm sounds safely exit the building using the nearest safe stairwell. **Do not use elevators. Evacuations are mandatory.** Do not take time to gather personal belongings.

## **LEAVE THE BUILDING**

1. Follow the signs and exit the building as quickly and safely as possible and proceed away from the building.
2. Once outside the building follow all instructions given to you.

The Head of Delegation and/or On-Call Regional Staff Member should report any missing persons or injuries to the emergency responders; Fire Department, etc. SONY Medical protocol will then follow.

**NO ONE MAY NOT RE-ENTER THE BUILDING UNTIL IT IS DECLARED SAFE BY THE FIRE DEPARTMENT, AND THEY HAVE AUTHORIZED RE-ENTRY.**

## **Protest Procedure**

Protests on sports rules infractions may be filed by notifying the Sport Director at each venue. Please remember that judgment calls, heating, divisioning, etc., are not protestable.

Protest forms must be completed and turned in to the Sports Director at each venue, who will then page the necessary individuals for deliberation.

Protest must be lodged no later than 30 minutes following the event. In the case of team sports, officials must be notified of a protest at the point of contention, with the remainder of the games being played under protest.

Whenever possible, awards presentations will be held until resolution of the protest. Should awards be distributed prior to the resolution, and the outcome of the protest results in different awards placements, duplicate awards will be presented. Awards will not be taken away from an athlete once received in the awards ceremony.

## **Proper Competition attire**

In previous state games we had several athletes who were disqualified for not wearing the appropriate attire for their competitions. Please be aware that we will again be following Special Olympic General Rules which clearly states that “proper attire is required for all of our competitions”. If coaches have any questions about what constitutes “proper attire” please review sports rules found for each sport at [www.specialolympics.org](http://www.specialolympics.org)

Be aware, not wearing proper attire is grounds for automatic disqualification from competition. Let's all be proactive and avoid any unfortunate incidents.

# Opening Ceremonies

Opening Ceremonies will be held outside standing in Glens Falls City Park at 7:30 PM. It is located directly in front of the Queensbury Hotel, our host for dinner. Please dress for Fall weather.
